vs.	)	
	)	<b>ORDER</b>
FERRIS T. VALENTINE,	)	
	)	
Defendant.	)	

Regarding the defendant's motion to reduce his sentence because of the retroactive reductions of the crack Guidelines, the probation officer has prepared a retroactive sentencing worksheet which advises me that the defendant is not eligible for a reduction. In addition, the probation officer advises me in the retroactive sentencing worksheet that the defendant's adjustment in prison has not been good. Under these twin circumstances, I will deny the motion unless counsel convince me otherwise. Therefore,

IT IS ORDERED that the parties shall show cause why I should not deny defendant's motion (filing 466). Said cause must be shown by April 28, 2008.

April 18, 2008.
